

PhD Seminar Application Form

The application should include the following documents (4), which have to be completed and uploaded on this page:

- The information sheet
- A curriculum vitae
- A description of the PhD research project
- At least one letter of recommendation

The information sheet is the application form below.

The documents must be uploaded directly on the online application form.

Uploading these files will be possible after saving the form below for the first time.

You can upload .pdf files EXCLUSIVELY. These files should be clearly named as follows: name-CV.pdf, name-description.pdf, nom-letters.pdf

In case of trouble while uploading the application form, please click on the button “contact” above on your right.

Save as PDF

Cancel the form
